ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
<u>1.</u>	<u>The defendant shall refrain from any unlawful use of a controlled substance.</u> On February 5, 2014, Mr. Farah tested positive for marijuana and his urine sample was confirmed positive by the testing laboratory. When questioned by the probation officer, Mr. Farah admitted to smoking a marijuana joint on February 1, 2014, stating he did so while in the custody of the U.S. Immigration and Customs Enforcement Agency. He reported he made a "mistake" and it would not happen again.

Compliance with Supervision Conditions and Prior Interventions:

Abdullahi Farah is unemployed and lives with his aunt in Nashville, Tennessee. Mr. Farah began his term of supervised release on February 3, 2014, and his supervision is due to terminate on November 7, 2018. Policy dictates that he receive credit towards his supervised release, beginning the date he was released from the Bureau of Prisons custody to the U.S. Immigration and Customs Enforcement Agency, on November 8, 2013.

Following his positive drug test for marijuana, Mr. Farah was given a verbal reprimand and re-instructed to not use any illegal substances. He was immediately referred to Centerstone Mental Health for a substance abuse assessment. Mr. Farah was unable to participate in his substance abuse assessment on February 27, 2014, due to transportation issues. The probation officer rescheduled his assessment for March 7, 2014. Mr. Farah has been drug tested on two different occasions since his positive drug test on February 5, 2014, and those results were negative.

U.S. Probation Officer Recommendation:

The probation officer is requesting that no additional action be taken by the Court at this time. It is recommended that Mr. Farah remain on supervised release, participate in a substance abuse assessment and/or treatment, and not incur any future violations. The U.S. Attorney's Office has been advised of the offender's noncompliance and is in agreement with this recommendation.
